

## AD360 HAND HELD METAL DETECTOR OPERATING INSTRUCTIONS AND SPECIFICATIONS

The Adams model AD360 is an extremely rugged, compact and lightweight hand held metal detector that is easy and comfortable to use. It has a detection area that is the entire length, circumference and tip of the detection probe, offering the user a very efficient and fast way of carrying out a search procedure in any weather or challenging environment, yet small and light enough to wear on the belt.

The AD360 requires no adjustments for use. It has a single push/latch-push release power on/off button. When the button is pushed into the ON position a green LED flashes, indicating that the unit is in the ON mode.

When metal is detected the AD360 will silently vibrate, enabling the user a safer tactical advantage.

The battery compartment is located at the bottom of the detector and has a screw cap, similar to that of a standard flash light. The AD360 is powered by a single 9 Volt battery. A low or malfunctioning battery is indicated to the user by a continuous vibration alert.

**Length (including probe): 24cm (9.3 inches) (Including battery cap)**

**Diameter: Probe end: 2.5cm (0.98 inches)**

**Handle End: 4.4 cm (1.73 inches)**

**Weight: 219grams (7.75 Ounces) Including Battery**

**Power source: 1 x 9 volt block alkaline or rechargeable battery**

**Alarm indicator: Vibration alarm (in handle)**

**Power indicator: Green flashing LED**

**Minimum Battery Life: Standard 9Volt Alkaline MN1604): 400 hours. Optional Rechargeable NiMh: 80 Hrs**

**Power Operation - On/Off: Rugged pushbutton latching switch**

**Ingress protection (dust and moisture protection and resistance): IP67**

**Case construction: High impact ABS with rubberized handle grip**

- Tested and approved to EEC EN5008-1 Table 1. EN50082-1 Table 1:1.1 Radiated Emissions
- Conforms to international standards: CE mark IEC, NILEC, FCC, FAA.
- Medically tested and approved
- No risk to persons with pacemakers or pregnant women.
- No interference to magnetic recorded material.
- Warranty: 24 months
